

NEW Transitional Kindergarten

A program of purposeful play which values and nurtures the whole child as a person and image-bearer of God.

Unique Structure

- Half-day program serving children turning five by Dec. 31
- Four-day-a-week schedule allowing for rest and play at home
- Optional Friday “Discovery Days” fostering community and encouraging the parent-school partnership
- Small class size providing a maximum student to teacher ratio of 7:1

Distinctive Approach

- Developmentally appropriate engagement with language arts skills and math concepts
- Focus on exploring, interacting with, and telling about God’s world
- Intentional activities that embrace the child’s love for music, art, and movement
- Exposure to quality literature that feeds imaginations and encourages the habit of attention
- Creative, hands-on Bible curriculum designed to put children directly in touch with God’s Word
- Active environment targeting the use and refinement of gross and fine motor skills
- Decision-making opportunities which cultivate independence, confidence, and social skills
- Gentle introduction to learning habits and school routines
