All tuitions listed are for the first child. For families with multiple children, the first child is considered the one enrolled in the highest grade level. The 2nd child is eligible for a 15% tuition discount. The 3rd child is eligible for a 30% tuition discount. The 4th child and any others beyond are eligible for a 45% tuition discount. An additional discount of 4% is available for annual tuition payments. The school must receive the full payment by July 10th to qualify for this discount.

Tuition is due on the 1st of each month beginning in July and running through May (11 months). Any tuition received after the 10th of a month is subject to a \$25 late fee. Tuition not paid by the end of the month will be subject to an additional \$10 fee (total \$35 late fee). Any check returned for insufficient funds is also subject to a \$25 handling fee in addition to any late fees that may apply.

Redeemer School provides limited tuition assistance for families based on financial need without regard to race, color, national or ethnic origin. This year we will utilize the online services of Financial Aid for School Tuition (FAST) to process applications. FAST assists Redeemer School in determining the amount of financial assistance a family may qualify for. Applications for tuition assistance may be completed through the Redeemer school web site (www.redeemerschool.org) after a completed application for enrollment (or re-enrollment) is received. Families must complete a tuition assistance application through FAST by February 28th to be assured priority consideration. The school finance committee will finalize tuition assistance grants by the end of March based on FAST recommendations and available tuition assistance funds.

** Member or non-member tuition status is based on verification of statements in the new student application or re-enrollment application for returning students. Changes in membership should be communicated promptly to the school office so that relevant changes to the schedule of tuition payments may be made.*
