

Redeemer School Volunteer Form

Volunteering at Redeemer School is important because our school is built on covenant living. A covenant is a compact, a relationship, willingly established between individuals. All parties bring all their strength into the covenant for the good of the others; consequently, the strength of the covenant lies in those making the covenant. We believe that God has given each of us talents and spiritual gifts for the edification of others, ourselves, and ultimately for the glory of God. Your ministry here is important, so please give prayerful consideration to this list of opportunities and to the opportunities your child's classroom teacher provides. By the way, these will also help you fulfill your four-hour-per-month volunteer commitment to the school.

Please turn in this form to the school no later than the first day of school. The results of this form will be compiled by the Parent Resource Coordinator (PRC). The PRC, the school administration, and the teachers will use the information during this upcoming year. Thank you very much for your commitment to your children and your willing participation in the life of Redeemer School.

Billy Creech, Headmaster
